preserving life

TI-C-21

TI-C-21

● Features

- Precise Temperature Control and Safe Storage
- Visual & Audio Alarm system
- Dual Function – AC/DC
- Human-oriented
- Energy-saving & Environmentally Friendly
- Battery Safety

Specification

Model & Title	TI-C-21
Capacity in Litres	21
External Dim. W*D*H(mm)	610 x 320 x 297
Temperature. Range (°C)	10° ~ -20°
Cooling Mode	Direct cooling
Power Supply	Optional
Insulation Thickness	50
Climate Class	35° C
Weight	12 kgs
Input Power	45
Microprocessor Controller	Yes
Temperature Display	Digital display
Inside Light	Yes
Refrigeration	R134a
Alarm System - Door Open	Yes
Alarm System - Low Voltage	Yes
Power Supply (V/Hz) 12/24V	In-built
Power Supply (V/Hz) 220V	Optional
External Lock (Latch)	No
